

**Order Re: Completion Of Pending Remand Motion Briefing 08/05/2002**

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
AT SEATTLE

IN RE: PHENYLPROPANOLAMINE (PPA)  
PRODUCTS LIABILITY  
LITIGATION,

MDL NO. 1407  
ORDER RE: COMPLETION OF  
PENDING REMAND MOTION  
BRIEFING

This document relates to: all actions  
listed on attachment A to this Order

It has come to the attention of the court that the briefing for currently pending motions to remand is incomplete in a number of cases and/or case files. The court hereby orders all parties in cases listed on attachment A to this order to determine whether the remand briefing has been completed and forwarded to the Western District of Washington. The parties may review their case files on Web Pacer to make this determination. Any questions in locating case files and documents on Web Pacer should be directed to the MDL 1407 Docket Clerk, Valerie Barber, at the following number: (206)553-4170, extension 4.

Where the remand briefing was completed in the transferor court, but the court file in the Western District of Washington does not include all of the relevant documentation, including supporting memoranda, the parties shall re-file that documentation in this court within ten (10) days of this order. Where the briefing was not completed prior to transfer, the parties shall complete that briefing in accordance with the following schedule. For cases in which neither an objection nor a reply memorandum has yet been filed, the objection shall be filed within fourteen (14) days of the date of this order and the reply memorandum filed within seven (7) days of the filing of the objection. In cases where an objection, but no reply memorandum has been filed, the reply memorandum shall be filed within fourteen (14) days of the date of this order.

Failure to comply with this order will result in the pending motion(s) to remand being stricken.

DATED at Seattle, Washington this 2nd day of August, 2002.

/s/

BARBARA JACOBS ROTHSTEIN  
UNITED STATES DISTRICT JUDGE
